

MONTANA ASSISTIVE TECHNOLOGY LOAN APPLICATION

Welcome to the Montana Assistive Technology Loan (MATL) Program!

This program was started as a collaborative effort between RDI Financial, Inc. and MonTECH, a program within the University of Montana-Rural Institute.

This packet contains the checklist and application for your loan. You may mail, email, fax or drop off the required items. Please note that additional documents may be required.

The interest rate is currently 3.5% for loans over \$1500 and 0% for loans under \$1500 and lower. The loan process usually takes approximately a week to ten days once we have all necessary documents. After approval of the loan, closing documents and an ACH form (Authorization Agreement for Direct Payments) will be sent to you to sign. Once the documents are received back in our office, a check will be cut and sent directly to the vendor/contractor you are using.

If you have any questions regarding Assistive Technology, training, evaluation or other AT related services please contact MonTECH at 1-877-243-5751.

If you have any questions about this application or anything regarding the loan program please contact RDI Financial, Inc. at 406-454-5722.

Thank you for choosing MATL!

Sincerely,

A handwritten signature in cursive script that reads 'Jennifer Rogers'.
