Loan Programs

Our equipment loan program is funded by several different funding sources. Some programs have program-specific actions and guidelines for the program. Here is a list of the different programs that fund our equipment loan program.

- **Montana Assistive Technology Program (MATP)**

A program providing Assistive Technology and Adaptive Equipment for a 30-day trial free of charge to all Montanans with disabilities, those who are aging, or their supports.

Search for Items

Search for devices in the MATP program using the search form below.

If you want to see everything available in the MATP program, leave the search box empty and click on the Search button.

You may refine your search using the optional filters below the search box, such as the category selection box. If you want to see all items in the category, choose the category of interest, leave the search box empty, and click on the search button.

You may also choose to search for devices across all programs we offer. If searching all programs, be aware that each program has its own set of eligibility requirements and terms of use.

5. IN THE LOWER-LEFT OF THE FORM, YOU CAN SEARCH FOR DEVICES IN ALL CATEGORIES, OR YOU CAN CHOOSE A CATEGORY. IF YOU CLICK ON THE DOWN ARROW IN THE CATEGORY BOX, YOU WILL SEE ALL OF OUR CATEGORIES.
