MONTANA ASSISTIVE TECHNOLOGY PROGRAM (MATP-E)

EQUIPMENT EXCHANGE AGREEMENT (4/1/2009)

* I understand that the Montana Assistive Technology Program Exchange (MATP-E) is designed to facilitate the exchange of assistive technology (AT) devices and durable medical equipment (DME) between individuals. I also understand that neither MATP-E nor The University of Montana profit from any exchange of listed devices.

* I agree that neither MATP-E nor the University of Montana are responsible for the misrepresentation of the condition of any item listed on this site. It is the sole responsibility of the seller to provide accurate and detailed information about the product's specifications and condition. MATP-E functions only in an information-sharing capacity by providing this Exchange service. Equipment exchange activities, and any liability resulting from them, are the domain of the exchanging parties.

* I understand that MATP-E reserves the right to edit or refuse listings based on the item description and condition. Listings must be renewed by the seller every 90 days by contacting MATP-E staff to indicate that they are accurate and current or they will be automatically removed.

* I agree to contact MATP-E when an item I list is no longer available so that the item can be removed from the list. Upon exchanging an item through the use of this website, I agree to provide information requested by MonTECH so that they may include it in their federal reporting in order to maintain and continue to receive funding. I understand that no personal or identifying information will be reported or shared with any third parties.

* I agree to complete a customer satisfaction survey provided to me by MonTECH in order to help MATP-E evaluate the effectiveness of this Exchange service and continue to provide it in the most effective manner.

* By accepting these terms, I agree to not hold the Department of Public Health and Human Services (DPHHS), the Montana Assistive Technology Program or The University of Montana liable for any misrepresentation or direct, indirect, or other consequential injury incurred as a result of this exchange.
