

Are you looking for tools and support to make your home safer & prevent falls?

Borrow tools from MonTECH that make daily life easier!

What is MonTECH?

MonTECH is a free equipment library that any Montanan can use. You can borrow items for 30-180 days (depending on what you borrow). Tools include things you may want to try for your home or in the community.

You can schedule a free appointment to learn more about items you can borrow!

How to use MonTECH

Create an account, request items on our website, or schedule an appointment by phone, video call, or in person in Missoula or Billings. Items will be available for pick up in person or shipped to you for free (with free return shipping).

What kind of tools can you borrow?

Items for memory support, vision, hearing, communication, mobility, recreation, or daily living are available.

Questions?

UltraBrite Motion Activated Light (LED)

This motion-sensing light plugs into an outlet. It has a bright bulb that senses movement to turn on and lights up the area to help prevent falls. It turns off automatically.

Bathtub Shower Grab Bar Safety Rail

This grab bar attaches to most styles of bathtubs. It allows for an upright handle for ease of getting in and out of the bathtub. Proper installation is needed for safe use.

Couch Cane Stander

The Couch Cane is a simple freestanding handle that makes rising from your favorite couch or chair easy!

Portable Toilet Frame*

No assembly required! This Folding, portable toilet safety frame and handrail is an ideal daily living aid for anyone with limited mobility or at risk of falling.

E-Z Reacher

This easy-to-use reacher can pick up items from the floor or high shelves, reducing the need to bend or stretch and the risk of losing balance. Just squeeze the handle to control the claw!

Live Fine Automatic Pill Box

Program up to 6 daily doses with this pill box. It can be loaded with pills for up to 2 weeks. This easy system dispenses the pills at the correct dosage at a specific time. Ensure medication is never missed!

Angel Watch

This smartwatch connects to an app for a variety of features, including location tracking, calling your contacts, auto-dialing an emergency contact in the case of a fall, or programming medication reminders.

AdirMed Height Adjustable Bed Rail

This bed rail provides stable assistance for getting in and out of bed helping to prevent falls. It simply slides underneath the mattress and is ready to use.

Portable Folding Wheelchair Ramp 12' *

We offer a variety of portable ramps, ranging from 3 to 12 feet long that are wide enough for a standard wheelchair. These ramps typically work well for 1-3 stairs.

Air Hawk Foldable Lightweight Power Wheelchair*

This is a great option for getting around the community in a lightweight powerchair with a joystick. It is only suitable for short-term use on smooth surfaces.

Weighing 41 pounds, it can be stowed on flights too! Good for those who can walk but tire easily or have balance issues.

Folding Rollator Walker/transport chair*

This rollator features 4 wheels with Handbrakes, it has a basket with the option to be converted into a wheelchair with footrests and a backrest.

Adult Walker *

We have a variety of walkers, including walkers with two or four wheels. This lightweight frame is ideal for stability and movement while in the home.

No Tie Shoe Laces

Turn the sneakers you already have into no-tie shoes! These lace replacements fit into the shoelace holes, allowing your existing shoes to be "slip-ons". Having well-fitting shoes can help prevent falls.

*Indicates this item must be picked up in person due to its large size.

Loans are first come-first served. It may take a few days to get your equipment. MonTECH does not loan toileting or shower equipment.
